reservation code *Paediatric Pathology Society* till 4.8.2008

The organisers will not book any hotels. Delegates have to book their own hotel either from the given list where the hotels are keeping a reservation for us, or any other hotel in Helsinki you choose. The listed hotels will keep the reservations for us until the given date. After that they will put the rooms for general sale. When you write to them, please give the reservation code. The two closest hotels to the venue will be Hilton Strand and Arthur. Hotel bills are paid direct to the hotel.

There is a map included for options. Public transport is excellent and our congress site is easily available from any part of the city.
