## **Special requirements**

Please advise L.C. Congressi srl in case of any special diet or other requirements.

## **CME Credits**

The programme of the meeting has been submitted for accreditation to the European Accreditation Council for Continuing Medical Education (EACCME). Delegates could collect questionnaires and forms by the Secretariat Desk on congress site. ECM/CME Certificates will be available after evaluation.

## **Technical equipment for speakers**

Powerpoint application is available on site. You can bring your presentation in CD or in USB pendrive, compatible with Windows System. For any other kind of presentation, please contact L.C. Congressi srl.

## **Injury**

The conference cannot accept any liability for personal injuries or for loss or damage to property belonging to delegates, either during the meeting or during the whole stay. Please check the validity of your own personal insurance before your coming to the meeting.

## **Electricity**

Electricity in Italy is 220 volts, 50 cycles alternating current (AC). Plugs are different from the USA or Japan, therefore you will need a voltage converter or adapters.

## **Credit Cards**

The major credit cards are widely used in Italy (VISA/MASTERCARD/EUROCARD circuit) while AMEX is rarely accepted. Hotels, shops and restaurants have signs or stickers at the entrance, showing which credit cards are accepted.

## **Transportation**

### **By flight**

The nearest and most convenient airport is Venice Marco Polo Airport, around 30 Km far from Padova, well connected to Padova by public or private transportations and conveniently linked with all major European airports. Other airports are: Treviso (40 km, mostly used by low-cost airline companies), Verona (80 Km) and Bologna (120 Km).

### **Transfer services connecting Venice Airport to Padova and v.v.**

Public bus service (SITA bus) connects Venice Airport to Padova. It takes around 60/70 minutes to reach Padova, depending on traffic. Bus leaves every 30 minutes. Please see SITA website to check timetable: [www.sita-on-line.it](http://www.sita-on-line.it). The cost of the ticket is € 4,20 per person/per way (you can buy tickets in Venice Airport by the ATVO Ticket Desk). The cost of ticket on board could be higher. Final stop in Padova: Piazzale Boschetti (near the railway station, at 15 minutes walking distance from the congress venue).

Private taxi service: a taxi costs around € 90/100,00 one way.

### Collective transfer service

As an alternative, we can book for you a collective transfer service, called **"AIR SERVICE"** from Venice Marco Polo Airport to your hotel (in Padova) and v.v. or from Treviso Airport to your hotel (in Padova) and v.v. It is a sort of taxi/minibus service which takes you directly to the hotel, but you share this service with other guests. Cost per person/per way € 29,00 (Venice Airport) - € 40,00 (Treviso Airport).

You can pay cash in Euro or by VISA/EUROCARD/MASTER-CARD to the driver.

If you would like to book this service, please fill in the **Air Service Form** and send it to L.C. Congressi, which will confirm you the transfer reservation. Please note that in case of no-show, you must pay the corresponding amount to L.C. Congressi srl. When you will arrive in Venice Airport/or Treviso Airport, please look for the sign **"AIR SERVICE"** (in Venice Airport the driver is usually waiting under the only digital clock by the arrival hall).

### **By car**

Padova is linked by highways with Venezia – Milano (A4) and Rome/Bologna (A13): follow the green highway (autostrade) signs.

Coming from Venice leave at the exit Padova EST

Coming from Milano leave at Padova OVEST

Coming from Rome/Bologna leave at Padova SUD

Highways require a toll: a ticket will be automatically issued to the driver when entering and payment is required when you leave the highway. You can use most major credit cards in automatic machines in the lane marked "FastPay" or "Viacard".

### **By train**

All trains going to Venice from Milano or Roma, plus several local trains, stop in Padova railway station. Padova is on both lines Venice-Milan and Venice-Rome. Usual ride time is about 2 hours and 20 minutes from Milan and about 4 hours from Rome, according to the kind of train you choose (ES/AV are the best and fastest trains). Public buses to the city center are available immediately outside the railway station of Padova.
