We are excited to bring to you this in person Paediatric Dermatopathology course. This course is aimed at paediatric histopathologists, dermatopathologists and trainees who want to gain more insight into paediatric dermatopathology. A 1-day course designed to learn from the experts about challenging cases in this field.

The Paediatric Dermatopathology course will be a great chance for everyone to network but also to meet and learn from experts with the field.

To be held at the **Royal College of Pathologists**, 6 Alie Street, London E1 8QT.

We are also offering a virtual attendance to this event for anyone who cannot make the in person event.
